

Full Time Web Developer / Graphic Designer

Triple E Canada Ltd. is looking for an experienced Web / Graphic Designer.

The candidate will work with the Marketing team for all divisions of Triple E Canada Ltd. Including Triple E RV (tripleerv.com), Leisure Travel Vans (leisurevans.com) and Lode King Industries (lodeking.com).

Applicants must be fluent in using the full Adobe suite for web and print with a keen eye for clean, corporate design. The ideal candidate will have clear communication skills, strong attention to detail and be able to produce high quality designs.

A portfolio representing your best work must be submitted with application. Your portfolio should reflect your proficiency as both a designer and developer.

Responsibilities

- Involved in all stages of annual Marketing efforts including brochures and print, web advertisements and other mediums.
- HTML email Marketing Campaigns
- Execute website updates
- Design and program new web pages and websites as needed
- Assist in integrating social media into existing web applications
- Monitor SEO results with Google Analytics and initiate adjustments as necessary

Required Skills

- Proficient writing skills with attention to detail
- Expert working knowledge of Adobe Creative suite and current technologies used for creative work
- Ability to create clean code in the following languages: HTML, CSS, Java Script
- Proven ability to write semantic markup and implement cutting edge CSS techniques from Photoshop templates
- Familiar with cross browser issues and solutions
- Strong visual design sensibilities and the ability to articulate ideas and thought process
- A passion for web technologies and an interest in current web development practices and design trends
- Applicant must be a self starter and be comfortable working with or without direction and on multiple projects at once

Triple E offers competitive wages and benefits plan. Only applicants to be interviewed will be contacted.

To apply for this position please send a cover letter, resume and portfolio to melias@tripleerv.com
